

## **LOADER OPERATORS (NORTHERN OPERATIONS)**

Perilya is currently seeking expressions of interest from experienced Loader Operators.

### **The Role**

The main responsibilities of the role are:

- Tele-remotely bog-out stopes and other areas where tele-remote operation is required;
- Manual bogging materials into dump trucks, stockpiles, dump holes or waste tips;
- Clean up development headings;
- Maintain roadworks throughout the mine site.

### **What you need to succeed**

For this position it is essential that you have a broad range of underground mining experience. You will be multi-skilled on underground diesel equipment, a self-motivated worker and able to work with minimum supervision.

To be successful in this role you must have prior experience on a Loader and hold the required ticket. You are also required to hold an unrestricted manual driver's licence. You must enjoy working in a team environment, have excellent communication skills and demonstrate an ongoing commitment to safe work practices. You will need to be able to proactively identify hazards and assess risks.

### **Take that next step...**

If this sounds like something you are looking for then please apply via our website: [www.perilya.com.au/careers/vacancies](http://www.perilya.com.au/careers/vacancies). Applications close COB Friday, 2 October 2020.
