

UNDERGROUND ELECTRICAL TRADESPERSON

Perilya is seeking experienced and suitably qualified Electricians. This role will provide a variety of work as well as the opportunity to enhance their trade skills.

The main responsibilities of the roles include:

- Undertaking planned corrective maintenance tasks according to site and statutory requirements.
- Acting on breakdown maintenance requests.
- Providing electrical maintenance support to maintain plant and equipment to current Australian Standards.
- Maintaining and installing new electrical infrastructure.

To be successful in this role you must have an Electrical Trade Certificate and a Senior First Aid Certificate. Experience with low voltage electrical distribution systems, Low Voltage Rescue and Instrumentation and PLC will be considered advantageous. A High Voltage switching ticket would also be preferred as would prior Mining Experience.

You must enjoy working in a team environment, have excellent communication skills and demonstrate an ongoing commitment to safe work practices. Additionally you will need to be able to proactively identify hazards and assess risks.

This is a **residential** role that includes an attractive remuneration package.

Please apply online at: www.perilya.com.au/careers/vacancies or email jobs@perilya.com.au, quoting reference number BHO-582. Applications close COB 19 September 2019.
