

Mr Geoff Hender  
Deputy General Manager  
Perilya Broken Hill Ltd

By email to: [Geoff.Hender@perilya.com.au](mailto:Geoff.Hender@perilya.com.au)

Dear Mr Hender

**Broken Hill North Mine (SSD 7538)  
Approval – Environmental Management Plans**

I refer to your submissions, seeking the Secretary's review and approval of construction environmental management plans for the Broken Hill North Mine, including:

- Construction Air Quality Management Plan (AQMP) (Revision 2);
- Construction Environmental Management Plan (CEMP) (Revision 2); and
- Construction Environmental Management Strategy (CEMS) (Revision 4).

The Department has reviewed the revised versions of these documents and is satisfied that they address the requirements of Conditions 5, 17, 33 and 37, Schedule 3 and Condition 1, Schedule 4 of the Broken Hill North Mine development consent SSD 7538.

It is noted that the AQMP, CEMP and CEMS have been staged, as approved by the Department on 2 February 2018 and have been limited in scope to the construction phase only.

Accordingly, the Secretary approves the AQMP, CEMP and CEMS for construction only. Please ensure that a copy of the approved plans are placed on your website as soon as possible.

The Department recommends the operational management plans be prepared as stand-alone documents and be submitted following agency consultation, at least 60 days prior to the commencement of operations.

If you wish to discuss the matter further, please contact Stephen Shoosmith on 9274 6164.

Yours sincerely

16/8/18

Clay Preshaw  
**Director**  
**Resource and Energy Assessments**  
as nominee of the Secretary
